Just In Times

Institute Of Industrial & Systems Engineers
South Jersey – Delaware Valley Chapter No. 132

VOLUME 65 | September 2026 | NUMBER 6

IISE-SJDVC132 Website: http://www.iisesjdvpc.org

Theme: Networking

Date: Sept 24, 2026

Time: 6:00–8:00pm

Location:
Temple University
Engineering Bldg, 3rd Floor
Corner of 12th & Norris Streets

Cost: FREE

Please RSVP:
By September 18th
Kevin Drevik at
kdrevik@yahoo.com

Celebrate Labor Day!

- "Labor Day symbolizes our determination to achieve an economic freedom for the average man, which will give his political freedom reality." ***—Franklin D. Roosevelt***

- "I have learned that success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed." ***—Booker T. Washington***

September Program

Joint ASQ/IISE/Temple University Networking Kicks Off Program Year

September 2026 Joint IISE/ASQ Section 508 Temple Engineering Student Networking Event

Date: Thursday, September 24, 2026, from 6:00 PM to 8:00 PM
Location: Temple University Engineering Building,
3rd Floor Room305 (Corner of 12th and Norris Streets)

This first-time event will be an opportunity for IISE and ASQ members to provide career advice to students in the Temple University Engineering Department. The informal atmosphere will allow students to hear firsthand from IISE and ASQ professionals as they discuss their current and past roles in industry, their typical day and actions, and their past career path. This will also allow students to ask questions 1-on-1 and gain an idea of potential roles and companies they could pursue.

Students will be presented with biographies of IISE and ASQ attendees prior to the event, so they will be able to come prepared with questions.

Please RSVP and send your biographies to Kevin Drevik at
kdrevik@yahoo.com

PRESIDENT'S MESSAGE

I have some sad news for the chapter.

With the decision by IISE national to forgo sending any membership money back to the local chapters, the board has lost significant members and is unable to continue operation. At the May meeting, the decision was made to "wind down" the chapter and close it out at the end of this year.

The chapter has been in operation over 50 years, and has had significant impact on both existing and future engineers. I have enjoyed my time with the local IIE and I'm certain that current and past board members have as well. Its disappointing, but the board had to face the reality of diminished membership and participation.

We will have events for the fall of 2026, and will use remaining funds to support members and scholarships for local engineering students. Our last member event will be in November.

I hope to see folks for our Sep, Oct and November events, and celebrate the contributions of IIE over the years.
